

authorize the Bureau of Land Management to modify (permanently change), waive (permanently remove), or grant an exception (case-by-case exemption) to a stipulation included in a lease at the direction of the Forest Service. The person making the request is encouraged to submit any information which might assist the authorized Forest officer in making a decision.

(b) *Review.* The authorized Forest officer shall review any information submitted in support of the request and any other pertinent information.

(1) As part of the review, consistent with 30 U.S.C. 226 (f)-(g), the authorized Forest officer shall ensure compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4331 *et seq.*) and any other applicable laws, and shall ensure preparation of any appropriate environmental documents.

(2) The authorized Forest officer may authorize the Bureau of Land Management to modify, waive, or grant an exception to a stipulation if:

(i) The action would be consistent with applicable Federal laws;

(ii) The action would be consistent with the current forest land and resource management plan;

(iii) The management objectives which led the Forest Service to require the inclusion of the stipulation in the lease can be met without restricting operations in the manner provided for by the stipulation given the change in the present condition of the surface resources involved, or given the nature, location, timing, or design of the proposed operations; and

(iv) The action is acceptable to the authorized Forest officer based upon a review of the environmental consequences.

(c) *Other agency stipulations.* If a stipulation was included in a lease by the Forest Service at the request of another agency, the authorized Forest officer shall consult with that agency prior to authorizing modification, waiver, or exception.

(d) *Notice of decision.* (1) When the review of a stipulation modification, waiver, or exception request has been completed and the authorized Forest officer has reached a decision, the authorized Forest officer shall promptly notify the operator and the appropriate

Bureau of Land Management office, in writing, of the decision to grant, or grant with additional conditions, or deny the request.

(2) Any decision to modify, waive, or grant an exception to a lease stipulation shall be subject to administrative appeal only in conjunction with an appeal of a decision on a surface use plan of operation or supplemental surface use plan of operation.

AUTHORIZATION OF OCCUPANCY WITHIN A LEASEHOLD

§ 228.105 Issuance of onshore orders and notices to lessees.

(a) *Onshore oil and gas orders.* The Chief of the Forest Service may issue, or cosign with the Director, Bureau of Land Management, Onshore Oil and Gas Orders necessary to implement and supplement the regulations of this subpart.

(1) *Adoption of Onshore Oil and Gas Order No. 1.* Until such time as another order is adopted and codified in the CFR, operators shall submit surface use plans of operations in accordance with Section III.G.4(b), Guidelines for preparing surface use program, of the Department of the Interior, Bureau of Land Management, Onshore Oil and Gas Order No. 1, 48 FR 48915-30 (Oct. 21, 1983), published as Appendix A to this subpart.

(2) *Adoption of additional onshore oil and gas orders.* Additional onshore oil and gas orders shall be published in the FEDERAL REGISTER for public comment and codified in the CFR.

(3) *Applicability of onshore oil and gas orders.* Onshore Oil and Gas Orders issued pursuant to this section are binding on all operations conducted on National Forest System lands, unless otherwise provided therein.

(b) *Notices to lessees, transferees, and operators.* The authorized Forest officer may issue, or cosign with the authorized officer of the Bureau of Land Management, Notices to Lessees, Transferees, and Operators necessary to implement the regulations of this subpart. Notices to Lessees, Transferees, and Operators are binding on all operations conducted on the administrative unit of the National Forest System (36 CFR 200.2) supervised by the authorized

§ 228.106

Forest officer who issued or cosigned such notice.

§ 228.106 Operator's submission of surface use plan of operations.

(a) *General.* No permit to drill on a Federal oil and gas lease for National Forest System lands may be granted without the analysis and approval of a surface use plan of operations covering proposed surface disturbing activities. An operator must obtain an approved surface use plan of operations before conducting operations that will cause surface disturbance. The operator shall submit a proposed surface use plan of operations as part of an Application for a Permit to Drill to the appropriate Bureau of Land Management office for forwarding to the Forest Service, unless otherwise directed by the Onshore Oil and Gas Order in effect when the proposed plan of operations is submitted.

(b) *Preparation of plan.* In preparing a surface use plan of operations, the operator is encouraged to contact the local Forest Service office to make use of such information as is available from the Forest Service concerning surface resources and uses, environmental considerations, and local reclamation procedures.

(c) *Content of plan.* The type, size, and intensity of the proposed operations and the sensitivity of the surface resources that will be affected by the proposed operations determine the level of detail and the amount of information which the operator includes in a proposed plan of operations. However, any surface use plan of operations submitted by an operator shall contain the information specified by the Onshore Oil and Gas Order in effect when the surface use plan of operations is submitted.

(d) *Supplemental plan.* An operator must obtain an approved supplemental surface use plan of operations before conducting any surface disturbing operations that are not authorized by a current approved surface use plan of operations. The operator shall submit a proposed supplemental surface use plan of operations to the appropriate Bureau of Land Management office for forwarding to the Forest Service, unless otherwise directed by the Onshore

36 CFR Ch. II (7–1–05 Edition)

Oil and Gas Order in effect when the proposed supplemental plan of operations is submitted. The supplemental plan of operations need only address those operations that differ from the operations authorized by the current approved surface use plan of operations. A supplemental plan is otherwise subject to the same requirements under this subpart as an initial surface use plan of operations.

§ 228.107 Review of surface use plan of operations.

(a) *Review.* The authorized Forest officer shall review a surface use plan of operations as promptly as practicable given the nature and scope of the proposed plan. As part of the review, the authorized Forest officer shall comply with the National Environmental Policy Act of 1969, implementing regulations at 40 CFR parts 1500–1508, and the Forest Service implementing policies and procedures set forth in Forest Service Manual Chapter 1950 and Forest Service Handbook 1909.15 and shall ensure that:

(1) The surface use plan of operations is consistent with the lease, including the lease stipulations, and applicable Federal laws;

(2) To the extent consistent with the rights conveyed by the lease, the surface use plan of operations is consistent with, or is modified to be consistent with, the applicable current approved forest land and resource management plan;

(3) The surface use plan of operations meets or exceeds the surface use requirements of § 228.108 of this subpart; and

(4) The surface use plan of operations is acceptable, or is modified to be acceptable, to the authorized Forest officer based upon a review of the environmental consequences of the operations.

(b) *Decision.* The authorized Forest officer shall make a decision on the approval of a surface use plan of operations as follows:

(1) If the authorized Forest officer will not be able to make a decision on the proposed plan within 3 working days after the conclusion of the 30-day notice period provided for by 30 U.S.C. 226(f), the authorized Forest officer shall advise the appropriate Bureau of
